1	<p><u>Standard Condition # 6:</u> The defendant shall notify the probation officer at least ten days prior to any change in residence or employment.</p> <p><u>Supporting Evidence:</u> On September 17, 2014, Nate Uhlorn, U.S. Probation Officer, conducted a home visit at the offender's last known address of 3717 East Cleveland, Spokane, Washington, 99217. Contact with the offender's wife, Donna Stone, who is also under supervision, was established. Plain view inspection revealed that there were no signs of the offender's personal belongings in the residence. It was determined, based on contact with Donna Stone, that the offender has not lived at this residence since September 1, 2014. The offender failed to report a change in residence to the undersigned officer.</p>

to reside at the 3717 East Cleveland residence. Apparently the offender and his father-in-law, Mrs. McCabe's husband, became involved in a violent confrontation at the residence. The Spokane police incident report number 14-294805 alleges that the offender and his father-in-law became involved in a physical confrontation. Consequently, the offender was escorted off the property after he gathered all of his belongings. As noted previously, the offender has failed to make notice to the undersigned officer of his change in residence, and subsequent contact with law enforcement.

The U.S. Probation Office respectfully recommends the Court issue a warrant for the arrest of the offender to answer the allegations contained in this petition.

I declare under penalty of perjury that the foregoing is true and correct.
